## RESPONSE TO OFFICE ACTION

SIR:

In response to the Office Action of November 18, 2002 raising a requirement for restriction, Applicant hereby elects for further prosecution in this application the invention defined by claims falling within the invention identified as Invention No. I in Paragraph 1 of the detailed Action, said elected invention including present claims 1-15, 22 and 23 drawn to a valve including a position indicator.

Non-electricity is made without traverse; and Applicant hereby expressly reserves the right to file a divisional application for the non-elected invention at an acceptable later time.

Applicant believes no charges are involved with this response; however, if Applicant is in error, please charge Deposit Account No. 13-0235 maintained by Applicant's attorneys.

Respectfully submitted,

By Donald K. Huber
